To Whom it May Concern:

I am writing to offer my recommendation for Jermaine Jones of Brothers Making a Difference.

Jermaine is the founder and CEO of Brothers Making a Difference in NJ and has run the non-profit for 12 years. Jermaine spoke to our students at our school as our honored guest in the fall of 2023.

His organization was chosen by our students for a fund-raising activity because of his compelling personal and organizational story and for his commitment to helping others. He was an incredibly dynamic and inspiring speaker, and all our personal and email communications were followed up with quickly and professionally.

I support Jermaine Jones and Brothers Making a Difference on their future career path and welcome any follow-up questions from your team at any time if you would like to hear more about their work at our school.

Sincerely,

Ms. Sarah Goodman  
Principal, Hunter's Point Community Middle School (30Q291)
